

July 2011 Trainings

3 Regional Trainings – Choose a location near you!

Type: In person Training

Sponsor: Sustainable Jersey & *ShapingNJ Partnership*

Topic: Complete Streets – Safe Routes to School

Join leaders in sustainable transportation at a workshop in south, central or northern New Jersey to learn more about successful efforts to pass Complete Streets policies and implement Safe Routes to School programs. These low cost initiatives can help you earn points towards Sustainable Jersey certification, and provide healthy options for active transportation in your community. **Each workshop will highlight basic policy principles, potential resources and local case studies.** Workshops will take place on:

Dates and Locations

July 14, 2011 - Location: The Richard Stockton College of NJ, Pomona, NJ 08240 "West Quad" – Room WQ103,

Time: 1:00 p.m. - 3:30 p.m. **Parking:** Park in Lot #4. Walk towards the brick building which is to the left of the new Campus Center and it will say "West Quad" above the doors. July Webinar Training

Date: July 28, 2011

Time: 1 PM

Type: Live Webinar

Sponsor: [Community Food Security Coalition](#) and the [Healthy Corner Stores Network](#).

Topic: Healthier Corner Stores – Finding the Funding

Advocates can tap into a range of programs through federal, state, and local agencies to help make corner stores a source of fresh, healthy food instead of just liquor and cigarettes. In this webinar, you'll learn how to identify and leverage government tools and financing mechanisms to create healthier convenience stores. [Register now](#)

4th Leaders Academy for Healthy Community Development

Community Teams attend this Leaders' Academy to learn valuable information, tools and resources for developing plans to promote health and physical activity at the local level.

Type: Online Course

Topic: How savvy are your social marketing skills?

This free online course from CDC/DNPAO is designed to help you feel more confident in your ability to apply social marketing fundamentals to nutrition, physical activity, and obesity-related programs and services. This easy-to-use self-instructional course provides basic step-by-step instruction in the six phases of the social marketing planning process. You can work through the lessons at your own pace. [Click here](#) to learn more about this online course.
